Jackson Electric is available to assist you with water heater purchases Monday - Friday, 8:00 a.m. - 3:00 p.m.*

*Water heaters purchased from Jackson Electric Cooperative are not to be used as supplemental water heaters or storage heaters. Such usage will void the manufacturer's warranty and repairs will not be covered under the the water heater program. If the Jackson Electric contractor determines the repair to be plumbing or electrical related or is due to a dry-fired element, parts and labor will be charged to member.
