

WATER HEATER WARRANTY

(Warranty to the original owner only)

50-GALLON WARRANTY

6-Year Manufacturer Warranty

If the unit fails within the 6-year period, the replacement unit's warranty will be prorated to the warranty date of the original water heater.

85- & 100-GALLON WARRANTY

10-Year Manufacturer Warranty

If the original purchaser did not register the water heater for the extended lifetime warranty.

If the home is not owned by the original purchaser.

If the owner does not have proof of purchase.

If the water heater has been moved from its original installation location.

If the unit is part of a residential rental property.

Extended Lifetime Tank Warranty

Qualifies when the water heater is installed in a single-family dwelling owned by the original purchaser of the water heater with proof of purchase. Water heater needs to be registered online within 90 days of the installation date.

Warranty qualifications differ with commercial and dairy applications. Contact our office for qualifications.

Water heaters obtained under Jackson Electric Cooperative's water heater program are to be used as the primary source of domestic hot water and are not to be used as supplemental water heaters or storage heaters. This will void the manufacturer's warranty, and repairs are not covered under the water heater program.
